This seven-week vocal music club will teach young artists the fundamentals of singing like breathing, posture, diction, and vocal warm-up techniques. They will also focus on pitch recognition, rhythm, note reading, and music theory. The students will work on individual songs in different music genres. They will be able to sing solos, and work on group numbers. This club is for anyone interested in learning, no matter what skill level they're at vocally.

Instructor: Ms. Kimberly Young

Ms. Young's passion for music and theater began when she was a young girl growing up in Northern Virginia. She attended many private studios, worked with community centers and several schools. She has studied at the National Academy of Dramatic Arts in Georgetown, Virginia and majored in voice and piano as well. She has created drama programs for a private school in Nashville, TN and at Sky Education in Fairfax, VA. After moving to California, she created the Scriptwriting Actors Camp for Creative Kids Playhouse and loves working with the kids on their own script, music and show. She has also been the music director of CKP's Shrek Jr., Christmas in Neverland, Pinocchio, and Broadway Acting & Music Intensive. She joined Community Roots Academy last year, working with 1st grade and currently is part of the 5th grade team. Ms. Young is very excited to share her love of music with the CRA students at this seven week camp.
