School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020–2021)

Community Roots Academy (CRA) was established in fall 2011, as the first project-based elementary independent charter school in Orange County authorized by Capistrano Unified School District. Currently, our highly successful school serves 748 students in grades K-8. CRA has a traditional school year calendar with instruction delivered in self-contained classrooms.

MISSION Community Roots Academy (CRA) is a Kindergarten through eighth grade learning community where learning is embedded in a meaningful real world context and where children are deliberately taught to see the connections between their formal education and the world. Not only do CRA students meet the career and college readiness standards, but they also are enabled as leaders now and for the future by learning to think independently, to solve problems creatively, to articulate their ideas and to work productively while collaborating with diverse people. At CRA, students learn to combine curiosity and application, leading to a deep understanding of content, self-motivation and confidence. These skill sets empower students to take on challenges to become who they want to be and excel beyond their potential.

VISION CRA is a learning community with rigorous academic standards. We are dedicated to building strong relationships between all of our members. We are a learning environment that embodies the 21st century values we teach and practice. Collaboration, creativity, adaptability, reflection and evaluation are embedded in the CRA philosophy, governance, curriculum and daily operations. CRA supports and values children's different learning styles and reaches all students through meaningful project-based curriculum. Our educators collaborate with community-based organizations to create learning experiences to build efficacy, confidence, empathy, a sense of purpose and connections to the real world. CRA is a place to learn about whom we are and empowers us to grow into the individuals we aspire to be. CRA students graduate as independent thinkers, responsible citizens and active community members.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	65.0%	N/A	59.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Opportunities for Parental Involvement (School Year 2020–2021)

Community Roots Academy is highly committed to communicating with and engaging all parents as partners in their child's education. We strongly encourage parents to support their child in various capacities. Our school has developed a plethora of events workshops, volunteer opportunities and activities geared towards parent and community involvement. They include but are not limited to:

- Virtual Back-to-School Night (Fall) • Virtual Exhibition Night (EXPO) (Spring)
- Virtual Multicultural Day: Families made videos and slideshows representing their heritage, families shared music, art and culture.

- Parent/Teacher Conferences: 2 times per year (November/March)
- Report Cards: 2 times per year (February/June)
- Google Classroom: each teacher maintains a google classroom with assignments, instructional videos and other digital materials
- PPO: Parent Participation Organization (Monthly): Agendas, minutes, bylaws, officers – involved in fundraising
- Yearbook Committee
- Fundraising Committee
- Library Committee
- Garden Committee
